## REPORT OF THE LIBRARIAN FOR 1969

The past year has been an exciting one for Nichols Memorial Library with plans developing for the junior library becoming a reality. Work is now all but complete on this project and there are plans for an open house to be held sometime in February.

Every day presents a new challenge and we are striving to meet the needs of every student in their school programs and home reading.

A total of 1221 books were borrowed from the bookmobile and 184 were borrowed by special request from the State Library.

The library received a grant of \$100.00 again this year from the State of New Hampshire.

Income from Pine Tree Grange Trust Fund was used to purchase "Sandwich Glass", Ruth Webb Lee.

During National Library Week the Friends of the Library sponsored a very interesting program with Mr. Richard Sanborn, Principal of the Lincoln Ackerman School of Hampton Falls as the guest speaker.

The topic was "History of the Seacoast, Past and Present." They sponsored book-mending work-shop and two very successful "Book Fairs."

During that week Mrs. Gladys Larson brought her pupils of Holiday Kindergarten to the library to become acquainted with its benefits and facilities.

The assistant librarian, Mrs. Janet Merrick, attended the Public Library Techniques course offered last summer at the University of New Hampshire, and is planning to take a second course there next summer. The Southeast District Book Meetings were attended by the librarian and assistant librarian.

Several classes from Bakie School, accompanied by their teachers, visited the library regularly during the past year to borrow books.

The Kingston Garden Club filled the urns again this year and the members have furnished plants and flowers.

Several books have been presented and we are grateful to the following: Mrs. George Bassett, Mrs. Winifred Black, Mrs. Kenneth Briggs, Mr. and Mrs. Alden Colby, Donald Day, Mrs. Harry Deutsch, Mrs. Robert Edgar, Halton Ernie, Mrs. Kenneth Hoyt, Mrs. Robert Hughes, Mrs. George Jones, Mrs. Dwight Killam, Mrs. Kenneth Long, Jack Marshall, Mrs. Charles Morse, Mrs. Lawrence Rich, State of New Hampshire, Carl Stevens, Miss Olive Sweezey, U.S. Dept. of Agriculture and Mrs. Theodore Wheeler.

Respectfully submitted,

## TOWN OF KINGSTON PLANNING BOARD

### ANNUAL REPORT

Joseph Bassett, Chairman  
Herbert Federhen, Secretary  
Leonard Sanborn  
Doris Smith  
Donald Clark, Selectman

Several landowners have discussed their plans for subdividing with the Planning Board and have done their subdividing in accordance with existing Town ordinances. The Planning Board appreciates their cooperation in these matters.

We presented a very simple Building Code to the 1969 town meeting but, unfortunately, this was rejected by a very small margin. An ordinance for the disposal of residential sewage is somewhat dependent on the adoption of a building code. We hope to present a further modified building code at the next town meeting. A public hearing on this is scheduled for February 11th.

Further in the future are plans for some control by the town over the use of land in the town. We should have had this long ago for protection of residents who are interested in the orderly development and growth of Kingston. Being located geographically where we are a population growth is inevitable and some control of this influx is necessary for those who already live here and also for those who are coming in. No one wants to invest money in a home unless he is reasonably certain that the neighborhood is not going to deteriorate.

The Planning Board urges the voters to give all of these subjects serious thought.

Joseph Bassett, Chairman  
Herbert Federhen, Secretary

## ANNUAL REPORT OF THE KINGSTON FIRE DEPT.

During 1969 your Fire Department has responded to a total of 166 calls. Thirty eight were in Town fires, two were to render assistance to other fire depts., 123 ambulance and rescue wagon calls in town and out, and 3 lost person calls.

Our insured fire losses during 1969 were the lowest for many years.

During 1969 we kept very busy preparing for our 275th celebration, parade and firemans muster.

In September, 12 of our men attended the two day training school at Meadowood.

We are still running our own training program every Monday evening.

During this year our fund raising endeavors have contributed over \$4,000.00 to purchase hose, firefighting devices and money placed in the Ambulance Capital reserve fund. All donations are either used to purchase equipment or are placed in Capital Reserve Funds.

We wish to thank all persons for donations of money, equipment and services. Thanks also to all those persons who made our Annual Carnival a success.

To reach the Fire Dept. for fires and all other emergencies dial 642-5512. Please use this number for emergency only. For information or to reach the Fire Stations dial 642-3626 or call me direct by dialing 642-5408.

#### REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

## FIRE PERMIT

A FIRE PERMIT is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

## EXCEPTIONS

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

## PENALTIES

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.
3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.

## TOWN OF KINGSTON, NEW HAMPSHIRE

### 275th ANNIVERSARY COMMITTEE REPORT

The 275th Anniversary Executive Committee wishes to thank all of the citizens of Kingston for their support in making our Anniversary Celebration a success.

Without the support and attendance at various anniversary activities, the work of the committees would have been for nothing.

The Committee is pleased to announce that the celebration exceeded its financial goal of trying to break even by showing a profit of about \$600.00. To our knowledge, Kingston is the only town that really had a full celebration to end with a profit. Again, this speaks well for all of Kingston and its friends.

We, of the Executive Committee, feel that we and the Town owe a debt of gratitude to the various committees that worked so long and hard to plan the celebration.

The Celebration appeared to instill a new sense of pride in our Town, with all working toward a common goal of showing what a fine town Kingston actually is to live in and enjoy.

It is our sincere hope that the Town will preserve its heritage by forming a committee to keep records of the next 25 years, to be available for the 300th Anniversary. We should remember that we can always buy things of today but articles of the past, once destroyed, are gone forever.

The various activities of the week will long be remembered: Children's Day with Ring-A-Ding and parade; senior Citizen's Day with dinner and get-together of senior citizens; Little League Championships; Flea Market; Band Concert; New Hampshire's Fifth; Open House Tour; Beard Contest; De Judge and Dem Cops; Teen Day Dance; The Big Day — Saturday — Parade, Firemens' Muster, Supper, Glenn Miller Orchestra at Grand Ball; Sunday-Vesper Service and Clean-Up after a week of fun.

Thanks to all again, for we enjoyed our time spent for the Celebration most of all because of the successful results.
